

R. 2, Request for acceptance of rules

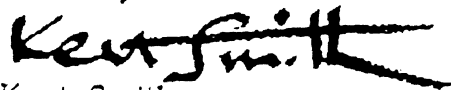

6) The state plenary decided to create our own internal structure.

7) We decided to develop our own formula for establishing the size, function and method of choosing our county councils.

8) We have chosen to designate a liaison representing the coordinating committee for official purposes rather than a chairperson.

Will you accept the attached rules for use by the Green Party of California? We need a reply by Friday, January 31, 1992.

Sincerely,

A handwritten signature in black ink that reads "Kent Smith". The signature is written in a cursive, somewhat stylized font with a long horizontal stroke at the end.

Kent Smith,
State Green Party Chair
